

# PoolParty Client Requirements

The PoolParty client has to meet the following requirements.

## Supported Web Browsers

PoolParty works with evergreen browsers:

- Google Chrome,
- Mozilla Firefox,
- Microsoft Edge.

## Recommended Screen Resolution

PoolParty has been designed for a minimum screen resolution of 1280x800 or higher.

## Other Recommendations

It is recommended to have a DSL connection to the internet, otherwise response times might be slow.
